To
The Secretary,
Board of Revenue,

Letter No.69617-D1/53-7 dated 26.5.54.

Sir,

Sub: Ferries - South Kanara District - Goondapur Taluk - Gangelly ferry - lease without auction petition from Sri Hassan Saheb - remarks.

Ref: 1. Board's Ref. E/2463/53-2 dated 18.1.54.
2. Government P. .D. Memo No.105911-F/53-4 dated 3.5.54.

Government in Public Works Department Memo cited have rejected the request of the petition in regard to the leasing of ferry for ten years.

In regard to the period of lease, it is however considered that the lease period may be fixed as five years to enable the renter to recoup all his expenditure in maintaining launches etc and that the lease also should be by public auction.

In this connection it is also suggested that as the period of present lease expires in the middle of an official year, the next lease period i.e. commencing from 1-10-54 may be for 4½ years so that the expiry of the next lease period may be on 31st March and thus there will be uniformity in the commencement of lease period thereafter.

I request that the above views may be agreed to and recommended to Government.

2. In this connection I also invite attention to my letter No.69617.D1.53.7 dated 26-5-54 to the Board of Revenue (Copy sent to Government) wherein it was suggested that the next lease period might be for 4½ years so that the date of expiry of the next lease period might be 31st March 1959 to have uniformity in the commencement of the lease of all ferries. Specific orders of Government have not been received. As however, the present lease period of the Gangolli ferry expires on 30-9-54 and as the publication of Sale Notification and the conduct of sales etc are to be done sufficiently in advance I have issued instructions fixing the next lease period as 4½ years from 1-10-54. I have also informed the officers concerned that the sale of the ferry from 1-10-54 may be made according to the existing system and orders i.e. not allowing exemption for direct imports and exports and not changing the basis of charge as cart,load.

I request that my action in having proceeded on the above lines in anticipation of orders may also be approved.

2. In his letter No.19617-D1/53-7 dated 26.5.54 referred to in the Government Memo cited, the Chief Engineer (Highways) has recommended that the next lease period for the Gangolli ferry commencing from 1.10.54 may be for 4½ years for the reason that the expiry of the next lease period may be on 31st March and then there will be uniformity in the commencement of lease period thereafter. He has also suggested that the term of the lease may be fixed for five years at a time. The Collector has recommended that the term of the lease may be fixed only for 3 years.
